

Request an Interlibrary Loan

If you are looking for an item that isn't owned by any library in Clackamas County, you can place an interlibrary loan (ILL) request at the West Linn Public Library. This process cannot be done online since a librarian needs to ensure that the correct item is ordered. Please call the library at 503-656-7853 x6, or visit the information desk to place an ILL request.

Please keep in mind that we are unable to do ILL requests for audio-visual materials or fiction books published in the current or previous calendar year.
